We are your bodyguards.
We provide constant protection
against unwanted aromas,
foreign or domestic.
We assure your privacy,
treat you like a celebrity,
make you smell like a rose
in a garden of onions.
Remember, we are omnipresent,
always alert, always steadfast,
leaving nothing to chance.
Nothing gets by us. Not even you.

A diverse collection of whimsical poems for readers of all ages that illustrate the secret lives of the inanimate objects that surround us.

**Available from online
bookstores worldwide.**
